California Department of Managed Health Care Notification Grievance Process and Independent Medical Review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **1-800-428-6337** or for **TTY/TDD services call 1-888-877-5379 (voice), or 1-888-877-5378 (TTY)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (**1-888-466-2219**) and a TDD line (**1-877-688-9891**) for the hearing and speech impaired. The department's internet website www.dmhc.ca.gov has complaint forms, IMR application forms, and instructions online.

If you believe your health coverage has been, or will be improperly cancelled, rescinded, or not renewed, you may also call the Department for assistance.

Before You File:

In most cases, you must complete your plan's complaint or grievance process before you file a complaint or IMR request to the Department. Your plan must give you a decision within 30 days or within 3 days if your problem is an immediate and serious threat to your health.

If your plan denied your treatment because it was experimental/investigational, you do not have to take part in your plan's complaint or grievance process before you file an IMR application.

You must apply for an IMR within six months after your health plan sends you a written response to your appeal. The Department may accept your application after six months if it is determined that circumstances prevented timely submission. Please be aware that if you decide not to file a complaint with the DEPARTMENT for an issue that would qualify for an IMR, you may be giving up your rights to pursue legal action against your plan regarding the service or treatment you are requesting.

How to File:
